George,

I walked by the properties on North Edgemont that your folks "weed whacked" in front of the vacant lot and the one south of it. Thanks.

I then walked over to North Heliotrope. On the west side of the 1000 block of North Heliotrope, there appear to be THREE encampments on that residential block. There is also some trash and a shopping cart on the next block south of Willow Brook. I was wondering if someone could come by and check it out.

Thanks, as always.

Hi Priva,

Thanks for the update.

Happy to hear the weeds were abated.

I am aware of the situation on Heliotrope. It is currently scheduled for a posted cleanup, and will take a few weeks to process per the cleanup protocols.

Thanks for the heads-up and for keeping an eye on the neighborhood!

Best,  
George
